

### Thousands Have Kidney Trouble and Don't Know It.

**How To Find Out.**  
Fill a bottle or common glass with water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What To Do.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root and its address, Binghamton, N. Y., on every bottle.

### 'GET OUT OF MY SUNSHINE' WHAT ARE YOU GOING TO DO?

*Why my dear friend I am going to help build that brick college in Cadiz Ky.*

Our college anniversary was held in the Cadiz Second Baptist Church beginning July 16th and continued until July 19th '03. We can well say, the result of this meeting is worthy of more than a passing notice. The able lectures delivered by Drs. P. H. Kennedy in "How to overcome Race Prejudice" and W. H. McRiddles on "How to create a better telling between the Races" was very instructive. The people said after hearing them it 'is good for us to be here'. The sermon by Dr. W. H. Leavell from the text "What has thou in thy hand Moses?" was well preached and able production. Rev. A. M. Samuels preached a good sermon from the text, "Fight the good fight of faith, lay hold on eternal life. Revs S. J. Leavell, D. W. Crenshaw, A. M. Samuels and L. W. Willis rendered valuable services by preaching, talking and giving for our work, so did Drs. Kennedy and Leavell, God bless these God sent ministers, he must have sent them because the devil don't send men to help a good cause.

We had a lively Sunday school Sunday morning as usual, Dr. Kennedy and Rea, Samuels seemed to have been at their best on that day. They preached with great power, the people rallied around the tables with great interest and the Sunday night services closed with a cash collection of \$150. The brethren are very much incouraged and the have new hopes and new inspiration. Dr. McRidley go on God is with you and we are with you to help build a brick college in Cadiz. Kentucky is the field and you have some strong friends in every city, town and village ready to help you to do work for the Lord and humanity. We pray for you to continue to prosecute your plans and efforts and if you meet with trials and bitter oppositions it is a sure proof that there is something good in you. "The world makes way for the determined man."

Respectfully  
G. W. King,
